Certifications for Vitality Wand

Vitality Wand Terahertz Test Report for Vitality Wand

Guangzhou Zhongnan Testing Technology Co., Ltd.

№: ZSJC2024011803

TEST REPORT

NAME OF SAMPLE: QiLife Vitality Wand

CLIENT: _____

CLASSIFICATION OF TEST: Entrusted testing

Guangzhou Zhongnan Testing Technology Co., Ltd.

TEST REPORT

№: ZSJC2024011803

Product name	QiLife Vitality Wand	Sample grade	QiLife
Model and specification	Article material confirmation	Merchant mark	—
Production unit	—	Entrusted unit	—
Address	—	Address	—
Number of samples	1	Sampling personnel	—
Sample identification	—	Sampling location	—
Sampling mode	Express mail	Sampling method	—
Detection category	Entrusted testing	Sampling date	—
Sample receiving date	2024.01.18	Completion date	2024.02.04
Test basis	GB/T 7287-2008	Test items	Radiation wavelength range (radiation spectrum curve), Terahertz radiation wavelength
Test conclusion	(Blank below)		
Editor: 符高	Main inspection: 符高	To examine: 符高	Seal of testing lab
Date of issue:	2024.02.04		

Intertek Testing Services (Singapore) Pte Ltd
3, Peninsula Road, #06-01

Singapore 068605
Date: 29 July 2024

CB (IEC certification)

IEC SYSTEM FOR MUTUAL RECOGNITION OF TEST CERTIFICATES FOR ELECTRICAL EQUIPMENT (IECEE) CB SCHEME

Ref. Certif. No. SG ITS-36537

IEC TEST CERTIFICATE

Product: Vitality Wand

Name and address of the applicant: _____

Name and address of the manufacturer: _____

Name and address of the factory: _____

Rating and principal characteristics: 220-240Vac, 50-60Hz, ...

Trademark (if any): QiLife

Customer's Testing Facility (CTF) Stage used: -

Model / Type Ref.: HF00

Additional information (if necessary may also be reported on page 2): -

A sample of the product was tested and found to be in conformity with IEC 60335-2-23:2016 + A1:2019, IEC 60335-1:2010 + A1:2013 + A2:2016

As shown in the Test Report Ref. No. which forms part of this Certificate: 24042003032N-001

This CB Test Certificate is issued by the National Certification Body

Intertek Testing Services (Singapore) Pte Ltd
3, Peninsula Road, #06-01
Raffles Industrial Building
Singapore 068605
Date: 29 July 2024

Signature: Ong Kong Chuan

(EU electromagnetic compatibility certification)

intertek
Total Quality Assured

Test Verification of Conformity

Verification Number: 24050803952N-VOC001

On the basis of the tests undertaken, the sample(s) of the below product has been tested by an accredited 3rd party laboratory in accordance to the referenced specification(s) /standard(s) at the time the tests were carried out. This verification is part of the full test report(s) and should be read in conjunction with it/them(s).

This document can be used in support of a claim in meeting relevant EU legislation and mandatory Conformity Marking. And in accordance with EU law, the claim is the sole obligation of the Manufacturer/ Importer.

Applicant Name & Address: _____

Product Description: VITALITY WAND

Rating & Principle Characteristics: 180-240V~ 50Hz

Model/Type References: HF00

Brand Names: QiLife

Specification(s)/Standards: S&E Appendix

Verification Issuing Office Name & Address: Intertek Testing Services Shenzhen Ltd, No. 3018, 201, Building B, No. 3018, Wuhe Avenue, Zhangjiajing, Guanhu Subdistrict, Longhua District, Shenzhen, Guangdong, China

Date of Tests: 08 May 2024 to 22 May 2024

Test Report Number(s): 24050803952N-001

Additional Information in Appendix: _____

Signature: Damon

Name: Damon Wang
Position: Team Leader
Date: 31 July 2024

This verification is for the sole use of the Manufacturer/ Importer and is provided pursuant to the agreement between Intertek and the Client. Intertek is not responsible for and does not intend to be liable for any consequences of the application of this verification to any other product, or for any other use of this verification. The Manufacturer/ Importer is responsible for ensuring that the product is in conformity with the applicable requirements of the relevant standards and regulations. The Manufacturer/ Importer is responsible for ensuring that the product is in conformity with the applicable requirements of the relevant standards and regulations. The Manufacturer/ Importer is responsible for ensuring that the product is in conformity with the applicable requirements of the relevant standards and regulations. The Manufacturer/ Importer is responsible for ensuring that the product is in conformity with the applicable requirements of the relevant standards and regulations.

One test, multiple countries applicable; 50+ member states recognize the "fast track" for local certification in various countries, demonstrating compliance with international safety standards and enhancing market competitiveness

Proving Product Safety, Reliability, and Stable Compatibility
A Mandatory Certification for Entering the EU Market
Recognized by 27 European Member States, with Indirect Recognition in Numerous Other Countries.

Dual energy, doubled effectiveness

PEMF

- Equipped with 7.8Hz low-frequency pulsed electromagnetic field;
- Promote the repair and regeneration of organizations;
- Improve metabolism, accelerate blood circulation, etc.

TeraHertz wave

- Heat generated by resonance with human cells at the same frequency;
- It can penetrate the human skin to a depth of 3-5cm and directly act on deep muscle tissue;
- Safe and harmless, with radiation only 1/40 of sunlight.

Working Mode of Vitality Wand

Air

Hot air

Human body

**transmit energy waves into
cells to exert effects**

Applicable to different temperatures

Gear/ temperature	Application scope
Gear 1 - 60°C	Promote surface blood circulation and metabolism, and relieve muscular soreness and rigidity. Applicable to people who keep a posture for a long time, such as office clerks and drivers, etc., and people who need to recover after exercise.
Gear 2 - 70°C	Deeply sooth the muscles and joints, and partly relieve diseases such as arthritis and rheumatism, etc. Applicable to people with chronic diseases such as arthritis and rheumatism, etc.
Gear 3 - 80°C	

Air massage

Air massage is a way of massaging the body by pressure produced by airflow.

It uses special equipment to produce wind of certain pressure and rhythm and acts on body parts such as muscle, anadesma and acupuncture point. **The force of wind pressure can penetrate the skin and tissues** and simulate manual massage method such as pressing, kneading, pushing and extruding, to **relax the muscle, sooth fatigue, promote blood circulation, relieve pain and tension.**

Relative to traditional manual massage, **air massage has better uniformity and continuity, so it can offer stable and regular stimulus to body.**

5 functions

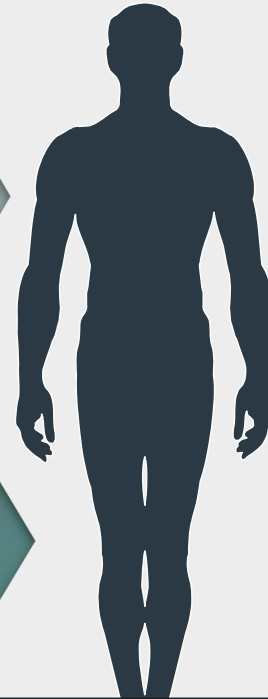

Activate and repair
cells

Quickly expel lymphatic
toxin

Quickly dispel dampness
and disinhibit cold

Quickly open up
microcirculation

Quickly dredge the
meridians

The smart holder liberates your hands

Smart remote control holder
Hands-free

Several modes are optional
60° autorotation

Automatic stop after 45min

Rotate at a large angle to leave the
human body after stop,
to avoid bumps

Minimal design

Fashionable, technological, refined

Digital display screen is clear at a glance

Dynamic display of icon

- Gear 0→1→2→3
- 45min countdown
- Energy emission diagram

After shifting gears, the
countdown remains unchanged

Smart control, cooling and cleaning

Smart control

- Automatic stop after 45min
- After powered off, the equipment will continue blowing cold air automatically and positively for 3s to cool down;
- After cooling down, the equipment will pause for 2s, blow air negatively for 2s and clean itself automatically;

Target user

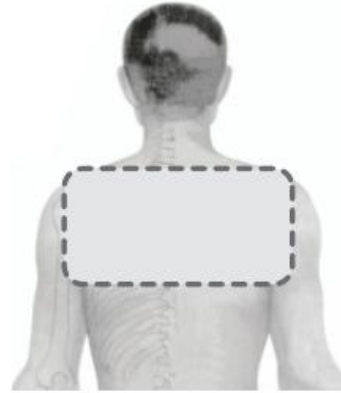

- **Due to work requirements, workers who stand for long periods of time or engage in heavy physical labor;**
- **Patients with joint pain and muscle pain caused by muscle strain, arthritis, etc;**
- **People with local soft tissue injuries in the recovery period;**
- **Patients with limb numbness and pain caused by cervical spondylosis, lumbar disc herniation, etc;**
- **People who need to promote nerve repair after nerve injury;**
- **Patients with shoulder periarthritits and tenosynovitis;**
- **People in the rehabilitation period after fractures, etc.**

The affected area

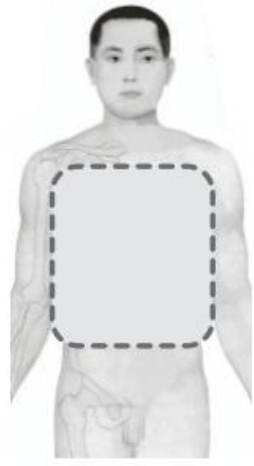

Meridian dredging in the head and neck region

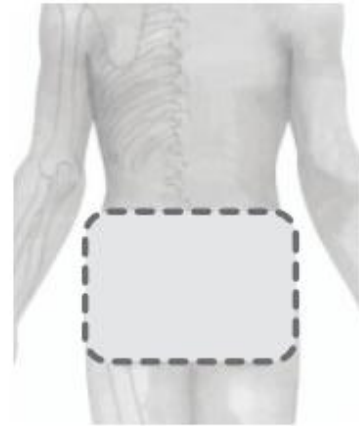

Meridian dredging in the shoulder region

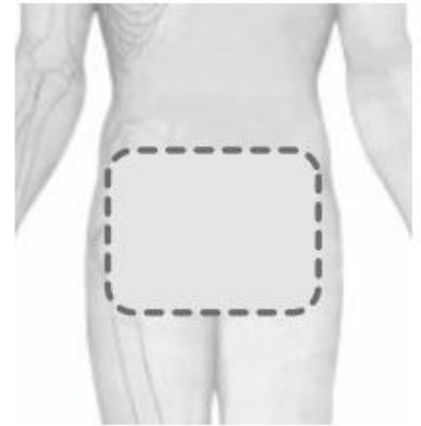

Meridian dredging in the back region

Meridian dredging in the chest region

Meridian dredging in the waist region

Meridian dredging in the reproductive region

Precautions about use

- **Drinking water-to accelerate metabolism and drink appropriate water before and after use;**
- **Wearing light clothes-to achieve a better healthcare effect, energy wave should directly irradiate on the skin. Wear light clothes under environmental restrictions;**
- **Single use time-no more than 45min;**
- **Women who are in the menstrual period must be caution;**
- **The air inlet should be more than 20cm away from the skin, and the temperature should be limited to the temperature acceptable to skin to avoid scald.**
